

## ARE WE RELATED?

## LEARNING LOG - 4

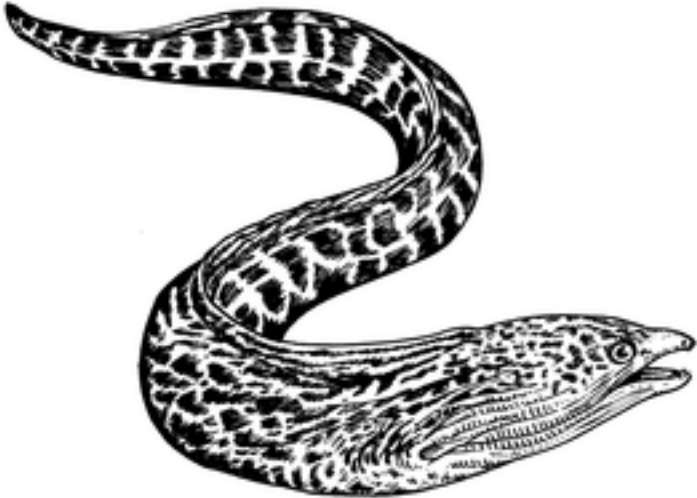

NAME: \_\_\_\_\_

DATE: \_\_\_\_\_

**Your Challenge: Complete a phylum booklet.**

- Draw pictures of at least two organisms from each phylum we studied.
- Write descriptions of at least three anatomical features that make each phylum unique. The first page is started for you. Add additional pages to complete the other phyla.

**Phylum: Chordata**

Draw it.	Describe it. What are the anatomical features of these organisms? Do some research and find out more about each phylum.
	<ul style="list-style-type: none"> <li>• a vertebrate with a backbone</li> </ul>

Complete additional pages for: **Echinodermata, Mollusca, Arthropoda**  
**Cnidaria, and Annelida.**
