

ARE WE RELATED?

LEARNING LOG - 4

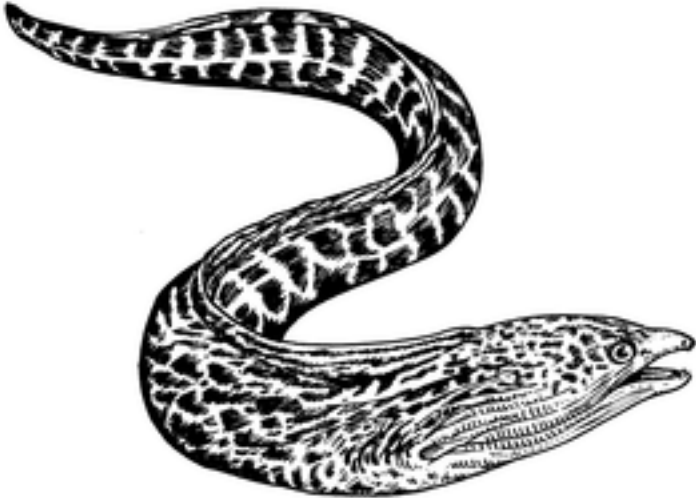

NAME: _____

DATE: _____

Your Challenge: Complete a phylum booklet.

- Draw pictures of at least two organisms from each phylum we studied.
- Write descriptions of at least three anatomical features that make each phylum unique. The first page is started for you. Add additional pages to complete the other phyla.

Phylum: Chordata

<p>Draw it.</p>	<p>Describe it. What are the anatomical features of these organisms? Do some research and find out more about each phylum.</p>
	<ul style="list-style-type: none"> • a vertebrate with a backbone

Complete additional pages for: **Echinodermata, Mollusca, Arthropoda, Coelenterata, and Annelida.**
